

Final Project Proposal Guidelines

Instructions

- Submit your proposal through GradeScope in the assignment “Final Project Proposal.”
- The main part of your proposal can be the same as your teammates, but everyone should submit their own proposal.
- See Slides 72-74 of Lecture 5 for additional information.

Your Name:

Project Title:

Team Members:

Project Summary

A brief overview of your planned work. Write at least 1 paragraph to receive full credit on this proposal, but feel free to write more if you want to receive more detailed feedback.

Individual Contributions

If you are working as part of a team, what will be your primary contribution to the group project? Approximately 1-2 sentences.
